We hope you can attend our Grand Opening and Ribbon Cutting Ceremony on Monday, February 15, 2010, at 10 am at the corner of Pool Street and Blandings Way in Biddeford, Maine.

We plan a short ceremony and a stroll down Blandings Way to the end of the new street where we will open the first trail, Terrapin Trail, in Blandings Park Wildlife Sanctuary to the general public.

There will be hot cider and treats for all to enjoy. Please dress for the weather and wear your boots if you would like to take a short walk into the Sanctuary on Terrapin Trail.

Come, join us in celebration. We look forward to seeing you there.

Please RSVP by email to bpws@maine.rr.com.
